Lester Roloff Chorus

Down By The River

Down by the river
I took a little walk
I met up with the devil
And we had a little talk
I pushed him in the river
And I hung him on the line
You can beat the devil
Any old time!

Down by the corral
I took a little ride
I met up with the devil
With a six-gun by my side
I shot him in the liver
And I whacked him with a board
You can beat the devil
With the power of the LORD!

Down by the church house
I took a little walk
Met up with my Jesus
And we had a little talk
I said I love you Jesus

If You Are H-A-P-P-Y

If you are H-a-p-p-y
And you love J-e-s-u-s
And you l-o-v-e him
Your v-e-r-y best
Then s-m-i-l-e and greet someone near
by
Joyfully c-l-a-p your hands
clap clap

(second time faster!)

Twelve Men Went to Spy on Canaan

Twelve men went to spy on Ca-
naan

10 were bad and two were good
What do you think they saw in
Canaan

Ten were bad and two were
good

Some saw giants big and tall
Some saw grapes in clusters long

Some saw God was in it all

Ten were bad and two were
good

The Old Black Book

What's wrong with the old
black book

My daddy used to read from
Is it so outdated by modern
translations

Revised standard and good
news are every where I look

Won't somebody tell me

What's wrong with the old
black book?

We Are The Bus Kids

(Quietly start)

Everywhere we go

People want to know

Who we are

Where we come from

So we tell them

We are the bus kids

The might, mighty bus kids

The Jesus loving bus kids

And if they can't hear us

We shout a little louder

x2 The parent obeying bus kids

x3 The Bible reading bus kids

x4 The soul winning bus kids

Coke-A-Cola

Coke-A-Cola came to town

Pepsi Cola shot him down

Doctor Pepper fixed him up

Now we all drink Seven-up

[4x] Knock-knock rattle-rattle-rattle honk
beep-beep

Jesus is a friend on mine

He is with me all the time

He died up on Calvary

Now he lives inside of me

[4x] Knock-knock rattle-rattle-rattle honk
beep-beep

Way down south where bananas grow

A flea stepped on an elephant's toe

The elephant cried with tears in his eyes

“Why don't you pick on someone your
own size!”

[4x] Knock-knock rattle-rattle-rattle honk
beep-beep

Crayon Box

When I was just a little child no higher than your knee
My mother bought a box of crayons just for me
I picked them up and opened them up
And looked way down inside
And the colors they reminded me of Jesus when He
died

(chorus) Oh, red is the color of the blood that He shed
Brown is for the crown of thorns they placed upon His
head
Blue is for the royalty in which He doth dwell
And yellow is for the Christian who's afraid to tell

I colored and I colored till my crayons were all gone
And though I am much older now the memory lingers
on
And when I see a little child with crayon-box in hand
I tell him what they mean to me and hope he'll under-
stand
(chorus)

Afraid to tell of the Savior who died on Calvary
Who gave His life for sinners just like you and me
And someday He is coming back to be our king
And the colors of the crayon-box you will see
(chorus)

For the Bible tells me so
Little ones to Him belong
They are weak but He is strong
Yes, Jesus loves me

For the Bible tells me so
Jesus loves me He who died
Heaven's gate to open wide
He will wash away your sin
Won't you let the Savior in?
Yes, Jesus loves me
Yes, Jesus loves me
Yes, Jesus loves me
For the Bible tells me so

your house to day and I'm

Daniel

Daniel prayed to God each day
And always did his best
But wicked men who hated God put Daniel
to the test

Chorus:

Daniel, Daniel , Daniel took his stand– I will
be like Daniel and follow God's command

Daniel chose to follow God and face the li-
ons den , but God delivered Daniel's life and
killed those wicked men

Chorus:

When I do God's perfect will, some folks
may scoff and jeer, but since the Lord is on
my side my heart will never fear

Chorus:

like the best is

Doodly, doodly, doodly doodly

do, whoo!

The Whipper Whopper Song

I woke up Sunday morning
I looked up on the wall
The spiders and the bedbugs were playing a
game of ball
The score was two to nothing
The spiders were ahead
The bedbugs hit a home run and knocked me
out of bed
Singing eeny meeny and a minie moe
Catch a whipper whopper
By the toe
If he hollers, hollers, hollers
Let him go singing eeny meeny and a minie moe
I live down in the sewers
I'll live there till I die and they won't call it mur-
der
They'll call it sewerside
Singing eeny, meeny and a minie moe
Catch a whipper whopper by the toe
If he hollers, hollers, hollers
Let him go singing eeny meeny and a minie moe

Jesus Loves Me

(Bro. Paul style)

Jesus loves me this I know

Though my hair is white as snow

Though my sight is growing dim

Still he bids me trust in him

Yes Jesus loves me

Yes Jesus loves me

Yes Jesus loves me the bible tells me

so

Though my steps are oh so slow

With my hand in His I'll go

On through life, let come what may

He'll be there to lead the way

Yes Jesus loves me

Yes Jesus loves me

Yes Jesus loves me

The bible tells me so

The Roloff Chorus

When the trumpet of the Lord shall sound
And time shall be no more
And the morning breaks eternal bright and fair
When the saved of earth shall gather over on the other shore
And the roll is called up yonder I'll be there
When the roll is called up yonder
When the roll is called up yonder
When the roll is called up yonder
When the roll is called up yonder I'll be there
You can look for me for I'll be there
I'll be there, I'll be there
You can look for me for I'll be there
Singing glory to His name
Glory to His name, glory to His name
There to my heart was the blood applied
Glory to His name
Precious name ~ oh how sweet
Hope of earth and joy of heaven
Precious name ~ oh how sweet
Hope of earth and joy of..
Heaven is a wonderful place
Filled with Glory and Grace

I want to see my Savior's face
Heaven is a wonderful
Heaven is a glorious
Heaven is a wonderful place
But until then, my heart will go on singing
Until then with joy I'll carry on
Until the day my eyes behold the city
Until the day God calls me home
This world is not my home I'm just a passing through
My treasures are laid up somewhere beyond the blue
The angels beckon me from Heaven's open door
And I can't feel at home in this world anymore
Oh Lord you know I have no friend like you
If heaven's not my home, then Lord what will I do
The angels beckon me from Heaven's open door
And I can't feel at home in this world anymore
More more about Jesus
More more about Jesus
More of His saving fullness see
More of His Love who died for me
It's me, It's me oh Lord, standing in the need of prayer
It's me, it's me oh Lord, standing in the need of prayer

Not my brother, not my sister but it's me oh Lord, standing in the
need of prayer

Not my brother, not my sister but it's me oh Lord, standing in the
need of prayer

Lord prepare me to be a sanctuary

Pure and holy, tried and true

With thanksgiving, I'll be a living sanctuary for you
